Zain Khoja

Student and designer at Cornell.

znk4@cornell.edu · zainkho.com

Education

Cornell University · B.S. Information Science · May 2022
Digital Product Design, iOS Development, Data-Driven Web Applications,
Human-Computer Interaction, Rapid Prototyping & Physical Computing
GPA 4.0

Experience

Instagram Camera · Product Design Intern · June 2021 to Aug 2021
Designed and prototyped drafts features to help creators build confidence.
Built decks to communicate product thinking and design proposals.

Instagram Reels · Product Design Intern · June 2020 to Aug 2020
Designed creative tools to help creators tell great stories using GIFs.
Developed prototypes in Origami to conduct usability testing and handoff.

PatchRx · Product Designer · April 2020 to April 2021
Designed core user experience, incentives, refill, and chat features to reward
users for high medication adherence. Worked directly with founders and core
engineer team to develop product development strategy and implementation.

GitHub · Design Systems Intern · June 2019 to Aug 2019
Designed core UI components and prototyping tools for Primer, GitHub's open
source design system.

Projects

Starbucks Sampler · Jan 2019 to May 2019
Analyzed user needs and ideated a solution to encourage users to try new drinks.
Designed and prototyped a feature encouraging users to try new drinks and
share customized drinks with friends using Figma and Origami Studio.

Activities

Cornell AppDev · President · Jan 2021 to May 2021
Led a team of over 50 engineers, designers, and marketers to develop apps for
over 10k daily active students and members of the Ithaca community. Oversaw 4
introductory, application-based courses with over 300 students per semester.

Recognition

Eagle Scout, Aga Khan Foundation Youth Ambassador

Interests

Sweet tea, Dallas sports, R&B music
