Zain Khoja

SOFTWARE (BUT ALSO SOMETIMES OTHER STUFF) DESIGNER

EDUCATION

Cornell University · ITHACA, NY

B.S. Information Science · JAN 2019 — DEC 2021

EXPERIENCE

Ramp · NEW YORK, NY

Staff Product Designer · APR 2025 — PRESENT

Designing the future of finance automation. (Mostly) Ramp Bill Pay and Ramp Game Studio.

Senior Product Designer · SEP 2023 — APR 2025

Designed batch payments, payment release, vendor onboarding, and vendor controls to bring Bill Pay from 1 → 100. Re-designed table filtering, sorting, grouping, and saved views.

Product Designer · FEB 2022 — SEP 2023

Designed international payments for bills and reimbursements.
Developed event platform to help customers keep better activity logs.

Instagram · REMOTE

Product Design Intern, Instagram Camera · JUN 2021 — AUG 2021

Designed and prototyped drafts features to help creators build confidence.

Product Design Intern, Instagram Reels · JUN 2020 — AUG 2020

Designed creative tools to help creators tell great stories using GIFs.
Shipped Timer Countdown feature in Instagram Reels for global launch.

GitHub · SAN FRANCISCO, CA

Systems Designer Intern, Primer · JUN 2019 — AUG 2019

Created prototyping tools to speed up product design exploration flow and ease onboarding for new designers. Designed components for Primer, GitHub's open source design system.

PROJECTS

PatchRx · REMOTE

Freelance Product Designer · APR 2020 — APR 2021

Designed tracking, incentives, refills, and chat features to help doctors and patients with medication adherence. Worked directly with founders and core engineer team to develop product development strategy and implementation.
